TITLE: Psychotherapist

#### ESSENTIAL DUTIES AND RESPONSIBILITIES:

Therapists will deliver psychotherapy to individuals, groups, couples and families in the surrounding community. Therapists are required to work at least 2 nights and one weekend day. Billing, scheduling and insurance verification services are provided in addition to supervision, a CEU stipend and company laptop. New therapists will start as part-time until caseload is developed and then transition to full-time.

#### QUALIFICATIONS:

Candidates will have at least 3 years post-licensure experience. CADC and CSAT certifications are preferred, but not required.

#### EDUCATION AND EXPERIENCE

LCPC, LCSW, PhD, PsyD
